HILES NEWS

The beautiful fall weather is bringing out a lot of variety in activities. From duck hunting to youth deer hunting, from wild rice collecting to long walks looking at colored foliage, there truly is something for everyone. My pumpkins finally ripened-almost, and of course the deer broke through the fence and had a nice dessert. Doesn't it figure? We didn't get as much out of our garden this year, but they made sure that they did.

Coming up on October 21st is the annual Fall Harvest Dinner sponsored by the Town of Hiles Service Club. It will begin at 5pm at the Hiles Town Hall. Please come and join them and bring a dish to pass. Everyone is welcome to attend, and if you have company visiting then, they are welcome as well. Show them what living in a small town is truly like! The Service Club is always looking for new members as well, so if you're interested in what's involved, the Harvest Dinner would be a good time to meet many of the members. They are involved in the Hiles Museum, funeral dinners, and whatever else is needed around the town. They meet once a month on the first Thursday of the month at the Hiles Museum at 1pm. Please consider joining this group, even if you don't always have a lot of time to spare. They welcome everyone!

Many of you might remember Eddie Novak from Argonne. He spent a lot of time in Hiles, and attended mass at St. Michael's often over the years. He passed away on October 6th. Our prayers and sympathies go out to his wife Karen and his family. Even though he spent many years working in the Kaukauna/Appleton area, he loved being in the Northwoods.

If anyone needs their chimney cleaned before winter comes, please get a hold of someone from the Fire Department. They would rather help you out now, than show up for a fire in winter time.

Have a great week everyone!

Margaret Tauer McCarthy
